Assessment Requirements for CPCCS3003 Apply trowelled texture coat finishes

Release: 3

Assessment Requirements for CPCCSP3003 Apply trowelled texture coat finishes

Modification History

- Release 3 Updated reference to general construction induction training program.
- Release 2 This version first released with CPC Construction, Plumbing and Services Training Package Release 5.1.
Minor edits to formatting in Element and Performance Criteria.
- Release 1 This version first released with CPC Construction, Plumbing and Services Training Package Release 5.0.
Supersedes and equivalent to CPCCSP3003A Apply trowelled texture coat finishes. Updated to meet the Standards for Training Packages 2012.

Performance Evidence

To demonstrate competency, a candidate must satisfy all of the elements, performance criteria and foundation skills of this unit by:

- applying a trowelled texture coat finish to a minimum of 4 square metres of curved wall
- applying a different trowelled texture coat finish to a minimum of 4 square metres of masonry wall containing an internal and external corner and an opening with a head, reveals and a sill.

All work must be performed to the standard required in the workplace and must comply with laws and regulations, Australian Standards, work health and safety (WHS) and environmental requirements, manufacturers' specifications, workplace requirements, drawings and specifications.

Knowledge Evidence

To be competent in this unit, a candidate must demonstrate knowledge of:

- compliance requirements of Australian Standards for applying trowelled texture finishes
- quality policies and standards for applying trowelled texture finishes
- safety requirements for applying trowelled texture finishes, including:
 - job safety analyses and/or safe work method statements in accordance with Safe Work Australia *Code of Practice for Construction Work* or state and/or territory equivalent
 - safety data sheets (SDS)
 - personal protective equipment (PPE)
- environmental requirements for applying trowelled texture finishes

- techniques for applying trowelled texture finishes
- types and uses of decorative finishes, including:
 - Stucco Venezia
 - Travertine
- types and uses of materials and components for solid plastering, including:
 - acrylic or styrene/acrylate coatings
 - proprietary texture coat finishes products
- types and uses of tools and equipment for applying trowelled texture finishes
- types and uses of plans, drawings and specifications for applying trowelled texture finishes.

Assessment Conditions

Assessors must meet the requirements for assessors contained in the Standards for Registered Training Organisations.

This unit must be assessed in the workplace or a close simulation using realistic workplace conditions, materials, activities, responsibilities, procedures, safety requirements and environmental considerations.
