# **CPP30119 Certificate III in Urban Pest Management**

**Release 3**

# CPP30119 Certificate III in Urban Pest Management

## Modification History

Release 3 This version first released with the CPP Property Services Training Package Version 15.1.

At the direction of the AISC, the following unit has been updated:

- HLTAID003 Provide first aid has been superseded by and is not equivalent to HLTAID011 Provide First Aid.

Release 2 This version released with CPP Property Services Training Package Release 11.0.

Correction to imported elective code from CPCWHS1001 *Prepare to work safely in the construction industry* to CPCCWHS1001 *Prepare to work safely in the construction industry*.

Updated imported equivalent unit of competency:

- CPCCCM2012 Work safely at heights.

Refer to the Companion Volume Implementation Guide for clarification.

Release 1 This version first released with CPP Property Services Training Package Release 9.0.

Supersedes and is equivalent to CPP30115 Certificate III in Urban Pest Management. Changed packaging arrangements including a reduction in the total number of units and changed core and elective requirements.

## Qualification Description

This qualification reflects the role of pest management technicians who are required to identify common urban pests, assess pest problems, consider pest management options, develop pest management plans, liaise with customers and implement pest management strategies.

In most cases, technicians work alone with responsibility for managing chemicals and equipment used for pest management and stored in pest management vehicles.

Licensing, legislative, regulatory or certification requirements apply to pest management in some states and territories. For further information, check with the relevant regulatory authority.

## Entry Requirements

There are no entry requirements for the qualification.

## Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 10 units of competency
  - 5 core
  - 5 elective units.

Up to 2 elective units may be selected from any training package, as long as they contribute to a valid, industry-supported vocational outcome and maintain the AQF level of this qualification.

### Core Units

CPPCMN3004	Respond to enquiries and complaints
CPPUPM3005	Manage pests without applying pesticides
CPPUPM3006	Manage pests by applying pesticides
CPPUPM3017	Maintain, service and repair pest management equipment
CPPUPM3018	Maintain equipment and pesticide storage area in pest management vehicles

### Elective Units

AHCCHM304	Transport and store chemicals
AHCCHM307	Prepare and apply chemicals to control pest, weeds and diseases
AHCPMG312	Apply poison baits for vertebrate pest control in rural and environmental landscapes
CPCCCM2012	Work safely at heights
CPCCWHS1001	Prepare to work safely in the construction industry
