New qualification.

Qualification Description

This qualification reflects the role of a close protection operative who is responsible for providing security services to protect the safety and security of principals who may be celebrities, political figures, very important persons (VIPs) or other persons requiring close protection services.

This qualification provides an occupational licence outcome of a close protection operative.

Occupational titles could include:

- close protection operative.

This qualification is suitable for people within or entering the security industry who wish to specialise in the provision of close protection services. It provides a pathway to further learning and work in various security roles and settings, including security risk management.

Close protection operatives work in a team environment under limited supervision and use discretion and judgement in known and unpredictable work contexts. They take responsibility for their own outputs in work and learning, and limited responsibility for the output of others in the work team.

Licensing, legislative, regulatory or certification requirements

Occupational licensing, legislative, regulatory or certification requirements may apply at the time of publication.

Please refer to the CPP Companion Volume Implementation Guide for information.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules
