CPP40421 Certificate IV in Cleaning

Release 1

CPP40421 Certificate IV in Cleaning

Modification History

Release 1   This version first released with CPP Property Services Training Package Release 15.0.

Supersedes and is not equivalent to CPP40416 Certificate IV in Cleaning Management.

Qualification Description

This qualification provides for a specialisation in either Cleaning Management or Specialty Cleaning and Restoration. It reflects the role of cleaning industry personnel who use well developed skills and a broad knowledge base in a wide variety of cleaning contexts. They may be responsible for:

- wide-ranging operational cleaning management activity and for managing staff, providing quotations, planning and overseeing work and providing customer support.

or

- wide-ranging speciality cleaning and restoration, providing high level technical skills to clean and restore fire, smoke and water damage to structures and contents; remediate mould, and decontaminate clandestine drug, trauma and crime scene sites.

The RTO is to insert the specialisation on the testamur, either:

CPP40421 Certificate IV in Cleaning (Management)

or

CPP40421 Certificate IV in Cleaning (Specialty Cleaning and Restoration).

No licensing, legislative, regulatory, or certification requirements apply to this qualification at the time of endorsement.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competence must be demonstrated in 14 units of competency consisting of:

- **4 core** units
- **10 elective** units.

For a specialisation in **Cleaning Management**, electives are to be selected as follows:

- 4 core units
- a minimum of 5 units from Group A
- an additional 5 units from Group A, Group B and/or Group C.

Up to 2 of these 5 elective units from Group A, Group B and/or Group C may be selected from any current training package or accredited course provided they contribute to a valid, industry-supported vocational outcome, maintain the Australian Qualifications Framework (AQF) level of this qualification and do not duplicate the outcome of another unit used to achieve the qualification.

For a specialisation in **Specialty Cleaning and Restoration**, electives are to be selected as follows:

- 4 core units
- a minimum of 5 units from Group B
- an additional 5 units from Group A, Group B and/or Group C.

Up to 2 of the 5 elective units from Group A, Group B and/or Group C may be selected from any current training package or accredited course provided they contribute to a valid, industry-supported vocational outcome, maintain the AQF level of this qualification and do not duplicate the outcome of another unit used to achieve the qualification.

CORE UNITS

BSBPEF402	Develop personal work priorities
BSBWHS308	Participate in WHS hazard identification, risk assessment and risk control processes
BSBWRT311	Write simple documents
CPPCLO4100	Organise and monitor cleaning tasks

ELECTIVE UNITS

Group A: Cleaning management

BSBOPS401	Coordinate business resources
BSBPEF502	Develop and use emotional intelligence
BSBTWK401	Build and maintain business relationships
BSBWHS411	Implement and monitor WHS policies, procedures and programs
