# CPP40821 Certificate IV in Access Consulting

## Modification History

Release 1 This qualification first released with CPP Property Services Training Package Release 14.0.

Supersedes and is equivalent to CPP40811 Certificate IV in Access Consulting.

## Qualification Description

This is a qualification for access consultants who work independently using specialised knowledge to conduct a range of access consulting services, including providing specific advisory and audit services and assessing buildings, sites and plans for the provision of access for people with disability. Access consultants interpret and apply the requirements of relevant legislation, codes and standards, including building control and anti-discrimination legislation and the National Construction Code (NCC), to ensure compliance of provisions for access.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 20 units of competency:
  - 12 core units
  - 8 elective units.

For the elective units:

- up to 8 units may be selected from Group A
- up to 2 units may be selected from Group B or any currently endorsed Training Package or accredited course at the Certificate IV or Diploma level provided they contribute to a valid, industry-supported vocational outcome, maintain the Australian Qualifications Framework (AQF) level of this qualification and do not duplicate the outcome of another unit used to achieve the qualification.
