CPP41319 Certificate IV in Swimming Pool and Spa Service

Release 3

CPP41319 Certificate IV in Swimming Pool and Spa Service

Modification History

Release 3 This version first released with the CPP Property Services Training Package Version 15.1.

At the direction of the AISC, the following unit has been updated:

- HLTAID003 Provide first aid has been superseded by and is not equivalent to HLTAID011 Provide First Aid.

Release 2 This version first released with CPP Property Services Training Package Release 11.0.

Updated imported equivalent units of competency:

- BSBESB402 Establish legal and risk management requirements of new business ventures
- BSBESB404 Market new business ventures
- BSBESB406 Establish operational strategies and procedures for new business ventures
- BSBESB407 Manage finances for new business ventures
- BSBLDR413 Lead effective workplace relationships
- BSBSUS411 Implement and monitor environmentally sustainable work practices.

Refer to the Companion Volume Implementation Guide for clarification.

Release 1 This version first released with CPP Property Services Training Package Release 9.0.

Supersedes and is equivalent to CPP41312 Certificate IV in Swimming Pool and Spa Service.

Qualification Description

This is a qualification for people working in the swimming pool and spa service sector. It applies to technicians in the field who apply analytic and problem-solving skills to treat water quality problems, as well as install, service and repair the key systems and components of domestic, commercial and public swimming pools and spas.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Candidates are required to hold the CPP31218 Certificate III in Swimming Pool and Spa Service or CPP31212 Certificate III in Swimming Pool and Spa Service

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 20 units of competency
 - 8 core units
 - 12 elective units.

Electives are to be selected as follows:

- a minimum of 10 elective units must be selected from the electives listed below
- up to 2 elective units may be selected from those listed below or from any currently endorsed training package or accredited course provided they do not duplicate the outcome of another unit chosen for the qualification.

An asterisk against a unit code below indicates that there is a prerequisite requirement that must be met. This prerequisite unit must be assessed before assessment of any unit of competency with an asterisk. Check the unit of competency for information on specific prerequisite requirement. All prerequisite requirements are packaged in the qualification.

Core Units
