CPPCLO3103 Clean and maintain amenities

Modification History

- Release 2 This version first released with CPP Property Services Training Package Release 17.0.
Editorial corrections in the Knowledge Evidence.
- Release 1 This version first released with CPP Property Services Training Package Release 15.0.
Supersedes and is equivalent to CPPCLO3017 Clean wet areas.

Application

This unit specifies the skills and knowledge required to undertake regular and periodic cleaning of amenities in a range of residential, educational, community, health care, accommodation and business settings. It includes floors, surfaces, basins, sinks, toilets, urinals, showers, baths and mirrors in bathrooms, toilets, baby change areas, change rooms and laundries.

It includes the selection and use of methods, materials and equipment to clean and disinfect fittings and surfaces, empty waste and replenish consumables while following work health and safety (WHS) procedures.

This unit applies to cleaning industry personnel who work alone or in teams. They use a range of cognitive, technical and communication skills to select and apply a range of methods, tools, materials and information to complete routine cleaning activities and provide solutions to predictable and sometimes unpredictable problems.

All work must be carried out in accordance with relevant state/territory legislation and regulations, including WHS, and codes of practice as well as organisational procedures.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
