CPPCMN2004 Provide basic client services

Release: 1

CPPCMN2004 Provide basic client services

Modification History

Release	Comment
Release 1	This version first released with CPP Property Services Training Package Version 5.0.

Application

This unit of competency specifies the outcomes required to provide effective client services.

The unit applies to cleaning personnel responsible for establishing effective client relationships. It includes identifying and meeting client needs by providing information/advice on products and services.

Individuals undertaking this unit would perform their duties alone or in a team environment, under routine supervision and without supervisory responsibilities.

No licensing, legislative or certification requirements apply to this Unit at the time of publication.

Pre-requisite Unit
