Assessment Requirements for CPPREP4302 Prepare livestock for sale

Release: 1

Assessment Requirements for CPPREP4302 Prepare livestock for sale

Modification History

Release 1 This version first released with CPP Property Services Training Package Release 8.0.

Supersedes but is not equivalent to CPPDSM4077A Sell livestock by private sale.

Updated to the Standards for Training Packages.

Performance Evidence

To demonstrate competency in this unit, a person must document and implement a plan to prepare livestock for sale on two different occasions using two of the methods below:

- private treaty
- auction
- sale yards
- on farm.

In doing this, the person must meet the performance criteria for this unit.

Knowledge Evidence

To be competent in this unit, a person must demonstrate knowledge of:

- livestock:
 - breed, age, sex, condition, classes, weights, pregnancy status
- livestock selling methods:
 - private treaty
 - auction
 - sale yards
 - on farm
 - sale price and conditions:
 - price per head
 - price per kilo dress weight
 - price per kilo live weight
 - sale to abattoir
 - live export
 - feedlots

- livestock transportation
- livestock welfare
- assessment of livestock
- quarantine
- curfews
- prescribed documentation in the state or territory of operation including National Livestock Identification System (NLIS), Livestock Production Assurance National Vendor Declaration (LPA NVD)
- legislation and regulations in the state or territory of operation
- livestock inspection requirements
- procedures for identifying and verifying ownership of livestock
- pre- and post-saleyard procedures
- role of the agent in preparing livestock for sale
- risks and risk management strategies associated with preparing livestock for sale
- ethical practices associated with preparing livestock for sale
- required forms and documentation to prepare livestock for sale
- agency livestock records and processes to update details
- communication strategies for responding to client complaints.

Assessment Conditions

Assessors must satisfy the requirements for assessors listed in the Standards for Registered Training Organisations.

Assessment must be conducted in the workplace or in a simulated workplace environment.

Assessors are responsible for ensuring that the person demonstrating competency has access to:

- livestock records and databases
- sources of information about livestock condition and ownership
- sources of information about NLIS, LPA NVD and transport options for livestock
- procedures and forms/documents for sale of livestock
- details of at least two lots of livestock for sale by two different methods of sale including catalogue requirements and penning requirements.
