Assessment Requirements for CPPSCM3017 Work effectively in strata community management

Release: 1

Assessment Requirements for CPPSCM3017 Work effectively in strata community management

Modification History

Release 1 This version first released with CPP Property Services Training Package Release 15.0.

Supersedes and is equivalent to CPPDSM3017 Work in the strata community management sector. Title changed to better reflect outcome.

Performance Evidence

To demonstrate competency, a candidate must meet the elements and performance criteria of this unit to work effectively in strata community management by responding to four routine workplace situations, one relating to each of the following aspects of work as a strata community manager:

- complying with regulatory requirements associated with strata community
- identifying the role of a strata community committee
- accessing and interpreting relevant by-laws for a strata community
- identifying the role and duties of a strata community manager and two opportunities for own continuing professional development.

Knowledge Evidence

To be competent in this unit, a candidate must demonstrate knowledge of:

- conduct requirements for strata community committees and strata community managers that may be legislated, contractual or established by industry
- compliance requirements of legislation, regulations, codes and standards relevant to strata community management in the jurisdiction of operation:
 - Acts Interpretation Act 1901 (or its successor)
 - anti-discrimination and diversity
 - Australian Competition and Consumer Commission (ACCC) requirements
 - available by-laws and registered rules that apply to strata communities and where possible in the jurisdiction of operation, processes for their amendment
