**Release 1**

## **CPPSS00054 Induct cleaning staff**

### **Modification History**

Release 1.

New skill set.

This version first released with CPP Property Services Training Package Version 4.

### **Description**

This skill set covers the competencies required to commence cleaning activities in a new work site or for a new employer. It covers applying safety, privacy and security requirements for different work sites, and maintaining storage areas that house a range of chemicals and equipment.

### **Pathways Information**

Completion of these units provides credit towards CPP30316 Certificate III in Cleaning Operations.

### **Licensing/Regulatory Information**

No licensing, legislative, regulatory, accreditation or certification requirements apply to this skill set at the time of endorsement.

### **Skill Set Requirements**

|            |                                                                       |
|------------|-----------------------------------------------------------------------|
| CPPCLO3003 | Clean using safe work practices                                       |
| CPPCLO3005 | Confirm and apply privacy and security requirements for cleaning work |
| CPPCLO3035 | Maintain cleaning storage areas                                       |

### **Target Group**

This skill set is for cleaners working alone or in teams, responsible for inducting cleaning staff for commercial or residential work sites.

## **Suggested words for Statement of Attainment**

These units from CPP Property Services Training Package meet industry requirements for providing general workplace induction for cleaning staff.

## **Custom Content Section**

Not applicable.
