CPPSS00059 Batons and handcuffs

Release 1

CPPSS00059 Batons and handcuffs

Modification History

Release 1

This skill set first released with the CPP Property Services Training Package release 7.0.

Description

This skill set describes the skills and knowledge required to safely and effectively carry and use batons and handcuffs.

Pathways Information

This skill set may provide credit towards CPP31318 Certificate III in Security Operations and CPP31418 Certificate III in Close Protection Operations.

Licensing/Regulatory Information

Not applicable.

Skill Set Requirements

CPPSEC3110 Control persons using batons

CPPSEC3111 Restrain persons using handcuffs

Target Group

This skill set is suitable for licensed security officers and crowd controllers who are responsible for protecting the safety and security of people, property and premises using batons and handcuffs.

Suggested words for Statement of Attainment

These competencies from the CPP Property Services Training Package meet industry and regulatory requirements for a licensed security officer to carry and use batons and handcuffs for security purposes.

Custom Content Section
