1	These Assessment Requirements were released in CSC Correctional Services Training Package release 1.0 and meet the Standards for Training Packages.

Please refer to the advice in the CSC Assessment Guide.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying all facets of dog-handling training, theory and deployment
- applying basic first aid techniques
- communicating ideas and information
- planning and organising activities to prepare for the deployment of dogs in security situations
- responding appropriately to unauthorised and illegal materials in ways that preserve evidence
- transporting dogs safely
- collecting, analysing and organising information to produce records and reports

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- organisation's policies and procedures related to working with dogs and unauthorised and illegal materials
- evidence handling
- dog-training methodologies and practices relevant to the dogs' use in the organisation
- methods of transporting dogs safely and without stress
- capabilities of dogs working within the organisation
- work environment in which dogs could be deployed and emergencies that could arise within those environments

Assessment Conditions

Valid assessment of this unit requires a workplace environment or one that closely resembles normal work practice and replicates the range of conditions likely to be encountered when managing dogs in security situations, including coping with difficulties, irregularities and changes to routine.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
