Assessment Requirements for CSCORG021

Determine the effective use of financial resources

Release: 1

Assessment Requirements for CSCORG021 Determine the effective use of financial resources

Modification History

Release	Comments
1	These Assessment Requirements were released in CSC Correctional Services Training Package release 1.0 and meet the Standards for Training Packages.

Please refer to the advice in the CSC Assessment Guide.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least two occasions.

- accessing and using legislation and guidelines relating to financial planning, management, reporting and accountability
- reading complex and formal documents, such as legislation, policies, procedures and accounting standards and providing advice on their interpretation and application
- detailing requirements, writing recommendations and preparing financial plans
- using financial applications for entering data and preparing reports requiring accuracy of expression
- communicating with key people using a range of communication styles to suit different audiences and purposes
- using communication strategies involving exchanges of complex financial information

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- organisation's policies and procedures related to financial planning, management, reporting and accountability
- corporate governance requirements
- relationships of financial management compliance framework to organisational structures
- organisation's general management and accountability structures and systems
- methods of analysing and costing resource capacity and use
- internal control mechanisms and accountability of processes and resources
- accrual accounting principles
- professional, ethical and business standards for financial management

- financial recording and reporting requirements

Assessment Conditions

Valid assessment of this unit requires a workplace environment or one that closely resembles normal work practice and replicates the range of conditions likely to be encountered when determining financial resources, including coping with difficulties, irregularities and breakdowns in routine.

Evidence must be gathered over time and drawn from the range of routine and required work activities relevant to the performance criteria, the range statement and the organisational environment.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
