CSCSAS001 Maintain security

Modification History

Release 2. Modifications have been made to:

- Assessment Conditions

Release 1. This unit was released in CSC Correctional Services Training Package release 1.0 and meets the Standards for Training Packages.

This unit supersedes and is equivalent to CSCSAS201A Maintain security.

- PC 1.2 and 2.4 removed
- PC1.3 revised

Application

This unit describes the skills required to follow security procedures and maintain security of information.

This unit applies to those working in detention centres, correctional centres or prisons, community corrections officers, justice administration offices and on work sites where detainees or offenders are under statutory supervision. With contextualisation this unit may apply to those working in other work environments.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to, particularly those related to security.

Those undertaking this unit work with moderate support at all times and undertake tasks with a limited number of familiar steps.

No licensing, legislative or certification requirements apply to unit at the time of publication.
