

**Australian Government**

# **Assessment Requirements for CSCSAS016 Provide emergency response to dangerous incidents**

**Release: 2**

# **Assessment Requirements for CSCSA016 Provide emergency response to dangerous incidents**

## **Modification History**

Release 2. Modifications have been made to:

- Assessment Conditions
- Performance Criteria 4.6 and 4.7 renumbered

Release 1. These Assessment Requirements were released in CSC Correctional Services Training Package release 1.0 and meet the Standards for Training Packages.

- Assessment Requirements revised
- Please refer to the advice in the CSC Assessment Guide.

## **Performance Evidence**

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least two occasions.

- implementing strategic approaches to incident responses
- using security and surveillance equipment in the workplace according to procedures
- recording and reporting information related to incidents
- supervising a response team
- using effective communication while under pressure

## **Knowledge Evidence**

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- organisation's policies and procedures related to incident response, emergency procedures and work health and safety
- organisation's delegations, accountability and reporting processes related to critical incidents
- organisation's requirements for documentation and information systems
- security, surveillance and communication equipment available
- preservation of crime scene and evidence requirements
- principles of contingency planning and responses
- employee support services
- response options that are most effective for the degree and nature of risk

## Assessment Conditions

Assessors must hold credentials specified within the Standards for Registered Training Organisations current at the time of assessment.

Assessment must satisfy the Principles of Assessment and Rules of Evidence and all regulatory requirements included within the Standards for Registered Training Organisations current at the time of assessment.

Assessment must occur in workplace operational situations. Where this is not appropriate, assessment must occur in simulated workplace operational situations that reflect workplace conditions.

Assessment processes and techniques must be appropriate to the language, literacy and numeracy requirements of the work being performed and the needs of the candidate.

Resources for assessment must include access to:

- a range of relevant exercises, case studies and/or simulations
- acceptable means of simulation assessment
- applicable documentation, including workplace procedures, regulations, codes of practice and operation manuals
- relevant materials, tools, equipment and PPE currently used in industry.
