Assessment Requirements for CSCWHS002 Supervise occupational health and safety practices

Release: 1

Assessment Requirements for CSCWHS002 Supervise occupational health and safety practices

Modification History

Release	Comments
1	These Assessment Requirements were released in CSC Correctional Services Training Package release 1.0 and meet the Standards for Training Packages. Assessment requirements created

Please refer to the advice in the CSC Assessment Guide.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least two occasions.

- applying the hierarchy of control
- reporting and documenting the processes and outcomes of WHS requirements
- communicating verbally and in written form basic information about WHS responsibilities and processes
- facilitating team meetings
- identifying gaps in WHS skills or knowledge within work group
- recognising patterns in information to identify hazards and risks in WHS records

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- working knowledge, consistent with the elements of competence, of all applicable WHS legislation, regulations and codes of practice
- organisation's policies and procedures covering WHS processes, recording and reporting
- significance of equal employment opportunity principles and practices for WHS
- significance of other management systems and procedures for WHS
- understanding of literacy levels and communication skills of work group members and consequent suitable communication techniques
- training program coordination process
- appropriate personnel for referral of WHS issues

Assessment Conditions

Evidence for assessment must be gathered over time in a range of contexts to ensure the person can achieve the unit outcome and apply the competency in different situations or environments.

Valid assessment of this unit requires a workplace environment or one that closely resembles normal work practice and replicates the range of conditions likely to be encountered by an individual responsible for supervising WHS practices as part of a coordinated team, including coping with difficulties, irregularities and changes to routine.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
