CUA10320 Certificate I in Visual Arts

CUA10320 Certificate I in Visual Arts

Modification History

Release	Comments
2	All superseded imported units have been replaced with the most current unit.
1	This qualification was first released in CUA Creative Arts and Culture Training Package Release 5.0.

Qualification Description

This qualification reflects the role of individuals who are developing fundamental creative and technical skills that underpin visual arts and craft practice. It applies to work in different visual arts, crafts and design environments.

The job roles that relate to this qualification may include community arts workshop assistants. It also provides a pathway to other visual arts, craft and design job roles.

Licensing/Regulatory Information

Licensing, legislative, regulatory or certification considerations

Qualification

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Units of competency in qualification

Some individual units of competency may have their own licensing, legislative, regulatory or certification requirements. Users must check individual units of competency for licensing, legislative, regulatory or certification requirements relevant to that unit.

Entry Requirements

This qualification has no entry requirements.

Packaging Rules

Total number of units = 6

3 core units plus

3 elective units, of which:

- 2 must be from the electives listed below
- 1 may be from the remaining listed electives or any currently endorsed training package qualification or accredited course.

Elective units must be relevant to the work environment and the qualification, maintain the overall integrity of the AQF alignment, not duplicate the outcome of another unit chosen for the qualification, and contribute to a valid industry-supported vocational outcome.
