Licensing/Regulatory Information

Licensing, legislative, regulatory or certification considerations

Qualification

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Units of competency in qualification

Some individual units of competency may have their own licensing, legislative, regulatory or certification requirements. Users must check individual units of competency for licensing, legislative, regulatory or certification requirements relevant to that unit.

Entry Requirements

Individuals must provide evidence of skills and knowledge equivalent to Australian Qualifications Framework (AQF) level 3 or above, and relevant to the work environment and the qualification.

Packaging Rules

Total number of units = 12

5 core units plus

7 elective units, of which:
