Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- make mixed media artworks according to at least two different work ideas.

In the course of the above, the candidate must:

- evaluate sources of information to generate concepts for mixed media
- produce conceptually resolved mixed media artworks that integrate media and technique
- apply safe work practices applicable to chosen media and techniques
- determine intellectual property and other legislative requirements applicable to research and development of mixed media work
- assess the success of finished work to meet creative and technical objectives.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- historical and contemporary examples of mixed media work relevant to own practice
- properties and applications of selected media relevant to work being produced
- intellectual property issues and legislation associated with artistic practice at a professional level
- common tools and equipment used to work with mixed media artworks
- work health and safety requirements for mixed media work production.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- materials, tools and equipment for the chosen media
- a work space for safe construction of mixed media work.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
