Release: 1

Assessment Requirements for CUACMP511 Manage copyright arrangements

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 4.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements and performance criteria of this unit; including evidence of the ability to:

- confirm, by seeking advice, that original works have exclusive rights and are protected nationally and internationally
- research potential for the commercial use of original works
- negotiate and assign rights of a creative work to a third party, made formal by contract
- negotiate and agree to licencing rights of a creative work to a third party, made formal by contract
- maintain copyright documentation, in accordance with legal obligations and workplace policies and procedures

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements and performance criteria of this unit. This includes:

- difference between assignment and licensing of copyright
- process to determine whether original works are protected nationally and internationally
- key procedures to determine exclusive copyright ownership
- role of Australian copyright collection organisations in securing copyright
- Australian laws and regulations for assigning copyright.
-

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a creative arts working environment or workplace. This includes access to:

- sources of legal advice
- copyright, intellectual property and licensing information and legislation

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
