| Release 1 | This version first released with CUA Creative Arts and Culture Training Package Version 5.0. |

## Application

This unit describes the performance outcomes, skills and knowledge required to apply art finishing to items used in productions in the screen, media, entertainment and events industries. It involves the selection, preparation and execution of art finishing techniques according to production requirements.

The unit applies to those who apply art finishing for productions using discretion and judgement and operate under broad supervision within an established framework of plans and procedures.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

## Unit Sector

Visual Communication – Costume

## Elements and Performance Criteria

| ELEMENT                                          | PERFORMANCE CRITERIA                                                                                                                                                                                                                                                                                                 |
|--------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>Elements describe the essential outcomes.</i> | <i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>                                                                                                                                                                                                               |
| 1. Determine art finishing requirements          | 1.1 Plan art finishing tasks according to production requirements<br>1.2 Select methods of art finishing according to production requirements<br>1.3 Select and source materials according to production requirements<br>1.4 Liaise with required personnel to ensure art finishing tasks meet design specifications |
| 2. Undertake the art finishing process           | 2.1 Prepare tools and materials according to task requirements<br>2.2 Use tools and materials safely during the art finishing process<br>2.3 Use and dispose of tools and materials according to work health                                                                                                         |

| ELEMENT                           | PERFORMANCE CRITERIA                                                                                                                                                                                                                      |
|-----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                   | and safety requirements<br>2.4 Use art finishing techniques on components and finished items according to production and performer requirements<br>2.5 Promptly identify problems and take action in consultation with required personnel |
| 3. Complete art finishing process | 3.1 Adjust art finishing in response to feedback from required personnel<br>3.2 Submit finished items within agreed timelines<br>3.3 Complete workplace documentation as required                                                         |

## Foundation Skills

*This section describes those language, literacy, numeracy and employment skills that are essential to performance but not explicit in the performance criteria.*

| SKILL              | DESCRIPTION                                                                                                                                                                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reading            | <ul style="list-style-type: none"> <li>Interprets production documentation in relation to own duties</li> </ul>                                                                                                                                                    |
| Writing            | <ul style="list-style-type: none"> <li>Prepares and updates workplace documentation relating to finished items</li> </ul>                                                                                                                                          |
| Oral communication | <ul style="list-style-type: none"> <li>Obtains information by listening and questioning</li> <li>Seeks input and feedback from others during the art finishing process</li> </ul>                                                                                  |
| Self-management    | <ul style="list-style-type: none"> <li>Completes tasks in a responsible and cordial manner</li> <li>Meets work deadlines</li> </ul>                                                                                                                                |
| Teamwork           | <ul style="list-style-type: none"> <li>Works collaboratively with a range of personnel to apply art finishing to costumes</li> </ul>                                                                                                                               |
| Problem solving    | <ul style="list-style-type: none"> <li>Adopts a methodical and logical approach to selecting and preparing tools and applying art finishing to costumes</li> <li>Takes action to minimise potential problems that can arise when applying art finishing</li> </ul> |
| Technology         | <ul style="list-style-type: none"> <li>Uses standard word processing software</li> </ul>                                                                                                                                                                           |

## Unit Mapping Information

Supersedes and is equivalent to CUACOS301 Apply art finishing.

# Assessment Requirements for CUACOS311 Apply art finishing

## Modification History

| Release   | Comments                                                                                     |
|-----------|----------------------------------------------------------------------------------------------|
| Release 1 | This version first released with CUA Creative Arts and Culture Training Package Version 5.0. |

## Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- apply the art finishing process to at least two different costume or other performance items.

In the course of the above, the candidate must:

- apply a range of art finishing methods to items to meet production requirements
- use appropriate tools and materials to achieve the desired art finish to item
- follow safety procedures when using tools and materials and apply finishing techniques.

## Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- effects of art finishing on various materials and fabrics in a performance context
- safety issues associated with different art finishing techniques
- suppliers of art finishing materials and products
- when and how manufacturers' safety information is used.

## Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- art finishing tools and materials.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
