Assessment Requirements for CUADAN114 Develop foundational tap dance techniques

Release: 1

Assessment Requirements for CUADAN114 Develop foundational tap dance techniques

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- perform at least two tap dance sequences to music of differing tempos.

In the course of the above, the candidate must:

- demonstrate a range of foundational tap dance techniques
- perform barre and centre exercises
- respond to constructive coaching on own performance
- follow safe dance practices
- use tap dance terminology in discussions.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- foundational tap dance techniques
- key components required to complete safe warm-up and cool-down activities
- common clothing and footwear needed when performing foundational tap dance techniques
- principles of safe dance practice that apply to tap dancing
- foundational tap dance terminology
- strategies to evaluate performance and respond to coaching to set goals to improve techniques.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- clothing and footwear required to perform tap dance
- access to dance performance areas or spaces.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
