Application

This unit describes the performance outcomes, skills and knowledge required to consolidate basic jazz dance technique to achieve a greater depth of expression in performances.

This unit applies to dancers who are pursuing a career where jazz dancing skills are required. They could be preparing for performances in commercial or community settings where they would usually be performing as members of an ensemble.

At this level work is normally supervised, though some autonomy and judgement can be expected within established parameters.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Performing arts – dance
