Application

This unit describes the performance outcomes, skills and knowledge required to consolidate basic street dance technique to achieve a greater depth of expression in performances.

This unit applies to dancers who are pursuing a career in theatre and other contexts where street dancing skills are required. Street dancing includes styles, such as hip-hop, break dance, popping, locking, Nu School, krump and house. They could be preparing for performances in commercial, community or open space settings where they would usually be performing as members of an ensemble.

At this level work is normally supervised, though some autonomy and judgement can be expected within established parameters.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Performing arts – dance
