Release 1	This version first released with CUA Creative Arts and Culture Training Package version 1.0.

Performance Evidence

Evidence of the ability to:

- perform a wide range of repertoire at a professional level with individual artistic quality, interpretation and expression
- show professional level of consistency from one performance to the next
- participate as an integral part of a rehearsal process
- display a professional work ethic
- transfer classroom skills to performance contexts
- develop professional practice
- use dance and staging terminology correctly.

Note: If a specific volume or frequency is not stated, then evidence must be provided for each of the above points at least once.

Knowledge Evidence

To complete the unit requirements the individual must:

- explain how the following principles relate to performing dance repertoire:
 - extending
 - folding
 - relationship with gravity
 - rotating
 - shifting weight
 - spatial awareness

- successional movement
- use of breath
- explain how the following apply in the context of safe dance practice and injury prevention:
 - articulation of the spine
 - engagement of the feet
 - bases of support, including feet, legs, hands, arms and torso
 - range of motion of the joints
 - differentiation of the legs and pelvis
- explain and demonstrate how the musical elements of time signatures, beat, tempo and syncopation apply to dance technique
- describe the philosophical nature and history of chosen dance styles and allied disciplines.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- fully equipped dance studios with suitable flooring
- appropriate music or accompanists.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
