Assessment Requirements for CUADAN604 Extend ballet performance skills to a professional level

Release: 2

Assessment Requirements for CUADAN604 Extend ballet performance skills to a professional level

Modification History

Release	Comments
Release 2	This version released with CUA Creative Arts and Culture Training Package version 2.0. Updated assessment conditions section. Updated modification history section to reflect changed name of training package.
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 1.0.

Performance Evidence

Evidence of the ability to:

- use physical control throughout performances, including pas de deux
- demonstrate through the execution of sequences the following fundamental dance skills:
 - high level of coordination of limbs, torso and head
 - high level of spatial awareness in group movements
 - alignment and extensions in highly difficult combinations
 - skills and speed in directional changes
 - reproduction of complex movement sequences on both sides of the body
- develop professional practice
- use ballet and stage terminology correctly.

Note: If a specific volume or frequency is not stated, then evidence must be provided for each of the above points at least once.

Knowledge Evidence

To complete the unit requirements the individual must:

- explain how the following principles relate to physical movements and ballet technique:
 - extending
 - folding
 - relationship with gravity
 - rotating
 - shifting weight

- spatial awareness
- successional movement
- use of breath
- explain how the following apply in the context of safe dance practice and injury prevention:
 - articulation of the spine
 - engagement of the feet
 - bases of support, including feet, legs, hands, arms and torso
 - range of motion of the joints
 - differentiation of the legs and pelvis
- explain and demonstrate how the musical elements of time signatures, beat, tempo and syncopation apply to ballet technique
- demonstrate understanding of the fundamental technical principles in classical ballet
- demonstrate comprehensive knowledge of the history and philosophical nature of ballet.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- fully equipped dance studios with suitable flooring
- appropriate music or accompanists.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
