Assessment Requirements for CUADRT615

Collaborate with editors during post-production

Release: 1

Assessment Requirements for CUADRT615 Collaborate with editors during post-production

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- collaborate with editors during post-production for at least two different productions.

In the course of the above, the candidate must:

- prepare post-production schedules and instructions that meet production timelines and include contingency plans for re-shoots
- communicate concepts and ideas for achieving post-production objectives with required personnel and invite input into strategies for achieving creative outcomes
- evaluate and adjust work-in-progress in collaboration with required personnel
- contribute to assessment of whether post-production process achieved desired creative outcomes.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- interaction between creative, production and post-production personnel during the post-production process
- the impact of changing technology on post-production operations
- typical problems when collaborating during post-production and common solutions
- process for editing screen productions
- editing techniques for realising visual narratives
- strategies for evaluating the editing process for future improvement.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- professional post-production facilities
- material to be edited
- post-production personnel.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
