Performance Evidence

Evidence of the ability to:

- demonstrate basic classical ballet technique
- demonstrate correct warm-up and warm-down techniques and follow safe dance practices in teaching activities
- demonstrate short and simple enchaînements
- demonstrate musicality, expression, phrasing and correct timing, and sensitivity in movement sequences
- interact effectively and constructively with learners
- evaluate own teaching practice and identify ways to improve it.

Note: If a specific volume or frequency is not stated, then evidence must be provided for each of the above points at least once.

Knowledge Evidence

To complete the unit requirements the individual must:

- in the context of demonstrating dance technique, explain the significance of the following anatomical foundations:
 - articulation of the spine
 - engagement of the feet
 - bases of support, including feet, legs, hands, arms, and torso
 - range of motion of the joints
 - differentiation of the legs and pelvis

- describe:
 - key principles in the Australian Guidelines for Dance Teachers and Dance Industry Code of Ethics
 - classical ballet principles and techniques
 - features of commonly performed classical ballet repertoire
 - graded progress requirements according to dance society levels
 - issues and challenges that arise when teaching classical ballet
 - key aspects of safe dance practice
 - protocols associated with teaching dance.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- teaching resources and equipment
- opportunities for teaching basic classical ballet in either a real or simulated situation
- a venue with adequate space, ballet barres, and a sprung or tarkett floor.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
