Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- create an assessment plan and required activities according to a chosen dance style and outcomes
- assess the competence of at least three candidates according to created assessment activities.

In the course of the above, the candidate must:

- map assessment activities and plan against chosen learning outcomes
- identify requirements of individual candidates and incorporate modification strategies as required
- record and report assessment outcomes according to the assessment system and organisational, legal and ethical requirements.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- principles of assessment and how they are applied
- organisational procedures required to demonstrate the performance evidence
- key principles in the Australian Guidelines for Dance Teachers and Dance Industry Code of Ethics
- processes for creating assessment plans for chosen dance style and mapping assessment activities against learning outcomes
- confidentiality conventions as they apply to dance assessment activities
- rules of evidence and how they are applied
- cultural protocols and equity considerations in assessment activities
- current legislative requirements relevant to the assessor and the assessment process

- sources of workplace health and safety (WHS) responsibilities associated with assessing competence, including:
 - requirements for reporting hazards and incidents
 - emergency procedures
 - procedures for use of personal protective equipment relevant to assessing dance activities
 - safe use and maintenance of equipment relevant to assessing dance activities.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- tools, equipment and facilities required to demonstrate the performance evidence
- candidates to assess.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
