Performance Evidence

Evidence of the ability to:

- demonstrate effective and appropriate posture, placement and control through the body and legs to the best of their ability, relevant to the Cecchetti Ballet Advanced 1 level
- demonstrate an ability to analyse and interpret the Cecchetti Ballet Advanced 1 syllabus
- design exercises that maximise injury prevention in both genders.

Note: If a specific volume or frequency is not stated, then evidence must be provided for each of the above points at least once.

Knowledge Evidence

To complete the unit requirements the individual must:

- in the context of demonstrating the Cecchetti Ballet method, explain the significance of the following anatomical foundations:
 - articulation of the spine
 - engagement of the feet
 - bases of support, including feet, legs, hands, arms, and torso
 - range of motion of the joints
 - differentiation of the legs and pelvis
- describe:
 - key principles in the Australian Guidelines for Dance Teachers and Dance Industry Code of Ethics
 - history and background of the Cecchetti Ballet method

- issues and challenges that arise when teaching the Cecchetti Ballet syllabus
- key aspects of safe dance practice relevant to a teaching context
- key stages in physical and mental development in people aged 15 to 20
- protocols associated with teaching dance
- requirements and application of Advanced 1 Cecchetti Ballet syllabus to the teaching of a class
- requirements of Advanced 1 Cecchetti Ballet examination.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- a simulated or real class situation with a group of appropriate level students who have a basic knowledge of the male and female syllabus
- relevant resources and equipment.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
