Assessment Requirements for CUAMLT211

Develop musical ideas and knowledge

Release: 1

Assessment Requirements for CUAMLT211 Develop musical ideas and knowledge

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- develop and apply musical ideas and knowledge to own area of music practice on at least two occasions.

In the course of the above, the candidate must:

- research information about musical styles
- demonstrate listening skills
- identify musical styles, musical components and basic music structures and forms.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- basic music structures, styles and forms
- listening techniques that can be used to identify musical ideas in different musical styles
- instruments used within selected musical styles
- work and background of well-known composers and performers in selected musical styles
- reliable information sources and methods for undertaking research related to musical styles
- terminology related to identification of musical components.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- recorded music in different styles and genres
- technology required to collect, download and store information.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
