Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- notate at least two different musical pieces for performance according to performance requirements.

In the course of the above, the candidate must:

- adhere to conventions of music notation within the selected style
- integrate feedback from others with own evaluations.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- requirements in relation to notation of music for a performer
- musical protocols and customs for notating and editing notation of music related to chosen music specialisation
- different music genres and styles, and their musical forms and conventions in written notation
- chords, scales, melodies, forms, textures and conventions applied in music notation
- features of music technology and applications that can be used to notate music
- strategies to receive feedback and evaluate work for improvement
- issues and challenges that typically arise in the context of notating music for performance and strategies for overcoming them.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- end users of notated music
- software and hardware for setting down music.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
