Assessment Requirements for CUAMPF401 Rehearse music for group performances

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 2.0.

Performance Evidence

Evidence of the ability to:

- perform proficiently and to the required standard on chosen instrument or voice in at least three rehearsals by:
 - preparing adequately beforehand
 - listening effectively for and adjusting intonation and nuance in performance
 - sight reading accurately
 - applying interpretation and expression skills
 - giving and responding to cues
 - contributing to a respectful, productive and healthy culture.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- outline key components of rehearsal preparation
- explain the application of listening skills and music knowledge in rehearsals
- explain the key aspects of group performance
- identify and describe issues and challenges that typically arise in the context of group rehearsals, and ways in which they may be overcome
- explain the work health and safety (WHS) principles as they apply to using musical instruments and rehearsing in a range of environments.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- access to appropriate instruments, equipment and rehearsal space
- opportunities to rehearse.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
