Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- perform at least three different musical pieces on selected instrument, demonstrating developed instrumental techniques.

In the course of the above, the candidate must:

- plan and practise a selected set of exercises or studies, using feedback from others and adjusting focus of practice
- demonstrate use of correct postural, finger, hand and body positions in line with work health and safety (WHS) principles
- use aural skills to monitor and adjust own performance and achieve required sound.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- elements of chosen instrument, including:
 - accessories
 - applications
 - range
 - capabilities
 - tuning conventions
 - care and maintenance methods
- instrumental elements and techniques, including:
 - sound and tone
 - intonation
 - melodic and rhythmic precision

- dynamic range
- musical expression
- repertoire suitable to chosen instrument
- exercises for developing techniques on chosen instrument
- strategies to evaluate own performance
- WHS principles as they apply to correct posture and practices when performing using an instrument.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- instruments and equipment required to demonstrate the performance evidence
- an acoustic space required to perform musical pieces.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
