Assessment Requirements for CUAPHI536 Provide photographic portrait services

Release: 1

Assessment Requirements for CUAPHI536 Provide photographic portrait services

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- produce one or more portraits according to at least two different shoot specifications.

In the course of the above, the candidate must:

- interpret the brief and confirm requirements with required personnel
- organise professional practice arrangements that include insurances, releases, intellectual property, contracts, licences, permits and invoices following standard business practices
- devise a shoot schedule and organise photo imaging equipment, subjects and locations to shoot portrait photo images according to legal requirements
- apply imaging skills to capture and optimise portrait photo images, in collaboration with others
- process, catalogue and archive photo images in accordance with industry standards
- apply work health and safety practices during photo shoot and image production
- evaluate own performance and creative products and identify one or more areas for future improvement.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- styles and conceptual and aesthetic approaches that apply to portrait photo images in a common industry contexts
- features and capabilities of portrait photo imaging capture technologies
- techniques to proof, optimise and process portrait photo images
- key business and taxation practices associated with a portrait photo imaging practice
- professional practice arrangements and codes of practice applicable to a portrait photographer, including to those relating to:

- insurances
- releases
- intellectual property
- contracts
- licences
- permits
- invoices
- work health and safety
- legal matters.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- photo imaging capture and production equipment
- locations for photographic portrait shoots.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
