Performance Evidence

Evidence of the ability to:

- contribute to the artistic and technical planning of productions by participating in production and creative planning meetings
- assist with the running of technical and creative dress rehearsals and performances
- follow safety policy and procedures
- work collaboratively
- contribute to post-production activities.

Note: If a specific volume or frequency is not stated, then evidence must be provided for each of the above points at least once.

Knowledge Evidence

To complete the unit requirements the individual must:

- demonstrate well-developed knowledge of:
 - key aspects of the creative and technical production process for different types of live performance productions
 - production and staging terminology
 - common theatre conventions
- describe issues and challenges that arise when preparing for rehearsals and performances and suggest solutions to address them
- within the context of work health and safety practices during productions, demonstrate knowledge of:

- common law duty of care requirements
- hearing protection and safe lifting practices to be used
- strategies to assist with performance anxiety.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- relevant resources and equipment
- opportunities for rehearsals and performances in real or simulated situations.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
