Assessment Requirements for CUAPPM433 Coordinate touring arrangements

Release: 1

Assessment Requirements for CUAPPM433 Coordinate touring arrangements

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- plan and implement tour arrangements for at least one tour.

In the course of the above, the candidate must:

- adhere to production requirements
- apply effective communication and negotiation skills throughout the planning and touring production
- respond to problems during the tour as they arise.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- issues and challenges that typically arise in touring productions, and strategies to address them
- key roles, responsibilities and stages in the process of touring productions
- typical variations and adjustments that may need to be made to productions when touring
- work planning, scheduling and delegation techniques in relation to touring productions
- impact of award and enterprise agreements, and legislative and safety requirements on touring arrangements
- features, formats and purpose of a range of documentation typically required for touring productions.

Assessment Conditions

Skills in this unit must be demonstrated in a production environment where the conditions are typical of those in a working environment in this industry.

This includes access to productions that are going on tour.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
