Assessment Requirements for CUAPPR512 Develop sustainability of own professional practice

Release: 1

Assessment Requirements for CUAPPR512 Develop sustainability of own professional practice

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- identify at least two opportunities and implement at least two strategies to enhance sustainability in own practice.

In the course of the above, the candidate must:

- research and collaborate with required personnel to identify professional development ideas and issues applicable to own practice
- develop a set of at least five realistic goals for own practice that contribute to sustainability of own professional practice
- adopt sustainable work practices in all areas of activity.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- sustainability opportunities and constraints as they apply to own professional context
- factors that affect contemporary practice, including:
 - buying trends
 - sustainable work practices
 - economic considerations
 - impacts of technology on practice
 - lifestyle trends
 - practice location
 - social issues
 - intellectual property considerations
 - personal emotional wellness

- tools, techniques and strategies used by practitioners to develop and evaluate practice sustainability
- key aspects of individual, social, economic and environmental sustainability and their impact on an area of practice.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- research sources
- opportunities to develop professional networks
- interaction with others required to demonstrate the performance evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
