Assessment Requirements for CUASCU211 Develop sculptural skills

Release: 1

Assessment Requirements for CUASCU211 Develop sculptural skills

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- test and apply at least three different sculpture techniques and document key findings.

In the course above, the candidate must:

- produce fundamental sculptural work where the materials and techniques support own ideas for work
- document a basic plan to build own skills, outlining own selected skill development options
- collate, organise and store key skill development findings.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- general features of major styles of sculpting and the work of key practitioners relevant to individual area of interest
- elements and principles of design, including:
 - fundamental characteristics
 - primary interrelationships and use in fundamental sculptures
- equipment and tools used to produce sculpture, including:
 - key physical features and uses
 - cleaning techniques
 - storage requirements
- general features and use of a basic range of materials and techniques used to produce fundamental sculptures
- typical work space requirements for producing fundamental sculptures and ways of organising space and equipment for efficient work operation

- procedures for working safely with sculpting materials, tools and equipment.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- equipment, tools and materials used to produce sculptures
- credible information sources.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
