Assist with sound recordings

Release: 1

Assessment Requirements for CUASOU213 Assist with sound recordings

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- assist with sound recording operations on at least two different sound recording occasions.

In the course of the above, the candidate must:

- set up recording equipment and undertake pre-recording checks
- use sound recording equipment and accessories during recording sessions according to technical requirements
- identify audible defects and extraneous background sound
- collaborate with others to complete tasks in recording environment
- complete work practices according to health and safety, technical and production requirements.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- key factors, purpose and procedures relating to industry terminology:
 - cable rolling
 - signal flow operation and delivery
 - manual handling techniques
- operation and uses of different industry sound recording equipment and accessories
- basic principles and techniques of sound recording
- basic characteristics of recorded sound
- safety procedures for handling, operating and storing audio equipment and accessories, including principles of safe listening and use of safeguards against hearing loss.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- work environments and productions where sound is recorded
- sound recording equipment and accessories
- production documentation.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
