Description

This skill set addresses the skills and knowledge required to assist in preparing stages and installing staging elements for live performances.

Pathways Information

The units provide credit towards CUA20215 Certificate II Creative Industries, CUA30415 Certificate III in Live Production and Services, CUA40415 Certificate IV in Live Production and Technical Services and other qualifications that allow for selection of these units.

Licensing/Regulatory Information

Sets and staging for some performances or events may fall within the definition of construction work. If so, people entering the construction site are required to complete the general induction training program specified by the National Code of Practice for Induction Training for Construction Work (Australian Safety Compensation Council, May 2007). The unit 'CPCCOHS1001A Work safely in the construction industry' fulfils this requirement.
