Assessment Requirements for CUATEX311 Produce textile work

Release: 1

Assessment Requirements for CUATEX311 Produce textile work

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- produce textile works according to two different design ideas.

In the course above, the candidate must:

- explore ideas, techniques and historical and contemporary textile practice
- identify and acquire resources required to complete chosen work
- create works through the adaption and implementation of textile techniques that show technical proficiency
- review and document the work process.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- basic intellectual property considerations when making textile work
- methods of exploring techniques when achieving different effects in textile work
- main aspects of historical and contemporary textile work practice and how they inform own design ideas
- elements and principles of design:
 - key characteristics
 - key interrelationships and use in textile work
- tools and equipment used to produce textile work:
 - key physical features and uses
 - cleaning and maintenance techniques
 - storage requirements
- physical properties and capabilities of a range of materials and techniques used to produce textile work

- typical work space requirements for producing textile work and ways of organising space and equipment for efficient work operation
- procedures for working safely with textile materials, tools and equipment.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- equipment, tools and materials used to produce textile work
- credible information sources.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
