Release: 1

Assessment Requirements for CUAVOS411 Develop singing techniques for musical theatre

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- apply singing skills to convey meaning and emotion in solo, partnered and group work on at least three different occasions.

In the course of the above, the candidate must:

- develop singing skills required for performing in musical theatre
- perform vocal warm-ups and cool-downs
- sing from a simple song lead sheet
- work collaboratively
- demonstrate memorisation skills for retaining lyrics and lines of dialogue
- improve own singing techniques in response to constructive feedback.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- techniques for speaking and singing using different accents
- features of different musical theatre styles
- character development techniques
- elements of simple music notation and how they relate to interpreting songs
- principles underlying vocal techniques in a musical theatre performance context
- impact of different vocal techniques on audiences.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to venues and spaces with acoustics and equipment required for musical theatre rehearsal.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
