Assessment Requirements for CUAVSS211 Develop basic vision system skills

Release: 1

Assessment Requirements for CUAUVSS211 Develop basic vision system skills

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- complete basic vision system tasks safely and according to instructions on at least three different occasions.

In the course of the above, the candidate must:

- identify and check required rigging points, equipment and power sources in preparing for task completion
- follow safety procedures during preparing for, undertaking routine maintenance and completing vision systems tasks
- work cooperatively with others when assisting with tasks.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- key features, purpose and basic operating procedures of major types of vision system equipment
- types of cables and how they are used
- typical formats for vision system plans and how plans relate to practical work tasks
- basic safety procedures for using and handling power outlets, power extension leads, and vision systems
- characteristics and specifications of vision system equipment:
 - circuit state (energised or de-energised)
 - current resistance
 - power insulation
 - voltage.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- vision systems
- vision system plans.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
