CUAWRT405 Write fiction material

Modification History

Release	Comments
Release 2	This version was released with CUA Creative Arts and Culture Training Package Version 4.1. Minor edits to mapping information.
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 4.0.

Application

This unit describes the skills and knowledge required to write fiction material in a range of forms and to use basic editing and proofreading skills to refine work.

It applies to individuals who draw on a range of information sources and writing techniques to compose fiction materials in a variety of text types and styles.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Communication – Writing

Elements and Performance Criteria

ELEMENT	PERFORMANCE CRITERIA
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Determine requirements for fiction material	1.1 Determine requirements of the fiction material including genre and elements of composition 1.2 Research and gather information relevant to the fiction topic 1.3 Clarify purpose and required outcomes of the fiction material with relevant stakeholders 1.4 Identify intended audience and research requirements to select the most suitable form and publication media

ELEMENT	PERFORMANCE CRITERIA
	1.5 Clarify copyright, intellectual property and regulatory requirements 1.6 Determine appropriate language, style, tone and length 1.7 Determine appropriate grammar, spelling and punctuation
2. Plan and prepare to write fiction material	2.1 Develop an appropriate timeline to complete the fiction material based on requirements 2.2 Prepare resources needed to produce the required materials 2.3 Plan writing task to reflect the audience, structure and content of the fiction material 2.4 Organise information and develop ideas for fiction material
3. Create draft of fiction material	3.1 Use safe work practices including addressing ergonomic requirements when undertaking writing tasks 3.2 Use writing techniques and structural elements appropriate for the genre and publication type to create draft 3.3 Perform basic editing of draft to meet the requirements of the fiction material 3.4 Perform basic proofreading of draft to meet the requirements of the fiction material 3.5 Confirm content complies with copyright and intellectual property requirements
4. Complete the fiction material	4.1 Confirm draft is appropriate for the purpose, publication media and intended audience 4.2 Seek feedback from relevant stakeholders and establish the method by which feedback will be provided 4.3 Discuss and confirm any modifications with relevant people 4.4 Complete agreed modifications and produce final draft within required timelines

Foundation Skills

This section describes those language, literacy, numeracy and employment skills that are essential to performance but not explicit in the performance criteria.

Skill	Description
Reading	Analyses and interprets textual information from various

	sources - Compares material from multiple information sources - Applies appropriate strategies to check texts for accuracy
Writing	- Generates complex written texts, demonstrating a broad range of writing styles and techniques - Selects vocabulary, grammatical structures and conventions appropriate to the text and audience - Creates documents using language, format and style appropriate to the context and audience
Oral communication	Uses clear language to articulate personal understandings, ideas and opinions
Numeracy	Estimates time required for production tasks, creates timeframes and calculates resource requirements
Navigate the world of work	Identifies responsibilities and complies with legislative requirements relevant to writing tasks
Interact with others	- Collaborates with others to achieve writing goals - Selects and uses appropriate communication practices and protocols
Get the work done	- Adopts a logical and methodical approach in planning, organising and completing requirements within timelines - Develops new and innovative ideas through exploration and analysis

Assessment Requirements for CUAWRT405 Write fiction material

Modification History

Release	Comments
Release 2	This version was released with CUA Creative Arts and Culture Training Package Version 4.1. Minor edits to mapping information.
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 4.0.

Performance Evidence

Evidence of the ability to write at least one extended written fiction material (minimum of 4000 words) and one smaller written fiction material (2500-3000 words), of different forms (e.g. blog, journal, and book) and for each written material:

- communicate with relevant stakeholders to confirm the purpose and requirements
- plan and acquire the resources and information required to write the fiction material
- develop timelines for completion according to contractual and regulatory requirements
- write original material using technique, form, style, structure and perspective voice, point of view, appropriate to the publication media and the requirements of the fiction material
- comply with relevant regulatory, copyright and intellectual property requirements
- identify and use at least two methods for collecting and tracking feedback on draft material from relevant people
- follow relevant health and safety practices for writing tasks
-

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements and performance criteria of this unit. This includes:

- various forms and text types of fiction material
- techniques and styles used to develop various forms of fiction writing
- types of media used to publish fiction material, and describe the particular characteristics of each
- basic proofreading and editing techniques, including the use of style guides

- copyright and intellectual property requirements as they relate to writing and publishing fiction works
- basic operations of word-processing software used to produce, edit and track changes in written material
-

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a creative arts working environment or commercial writing environment. This includes access to:

- interaction with others to discuss and confirm requirements
- interaction with editors or other professionals whom they can communicate with regarding the tasks required to finalise fiction materials to the standards of the publication media
- reference materials and resources required to undertake writing tasks
- resources required for tracking feedback

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
