DEF10126 Certificate I in Defence Skills

DEF10126 Certificate I in Defence Skills

Modification History

Release	Comments
1	This qualification was first released in DEF Defence Training Package Release 7.0.

Qualification Description

This qualification provides a pathway to build an individual's knowledge and awareness of skills applicable to the Defence working environment.

This qualification is suitable for delivery through VET delivered to Secondary Students, Australian Defence Force Cadets, and other youth development programs.

Graduates with this qualification:

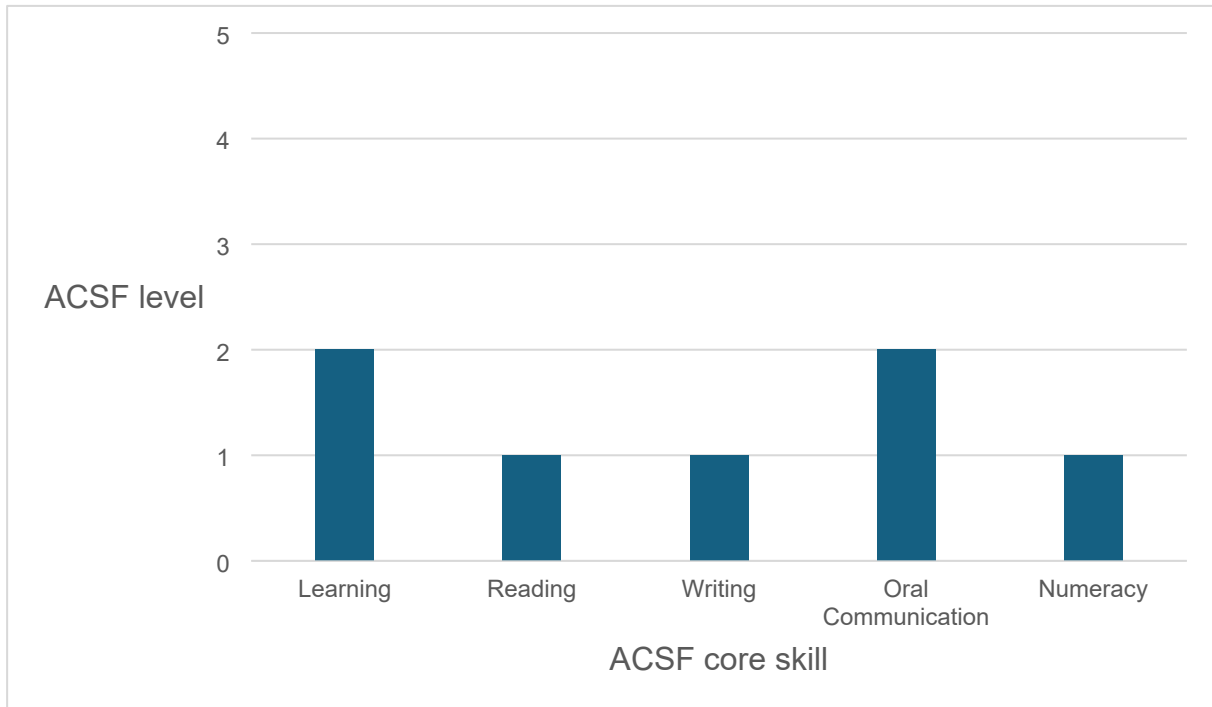

- work safely and responsibly in supervised environments, following workplace health and safety procedures
- operate effectively as part of a team
- communicate clearly and follow instructions, using organisational protocols and communications systems
- use basic workplace technologies, including digital devices and business software, to complete routine tasks
- navigate and operate in outdoor environments.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Foundation Skills Outcomes

The foundation skills outcomes in this qualification are outlined below.

Entry Requirements

This qualification has no entry requirements.

Packaging Rules

9 units of competency are required for this qualification comprising:

- **5 core units** listed below, **plus**
- **4 elective units.**

Choose **2 elective units** from the list below.

The remaining **2 elective units** may be chosen from the elective unit list below or from another currently endorsed training package or accredited course.

Elective units from outside the below list must ensure the integrity of the qualification's Australian Qualifications Framework level and contribute to an industry-supported vocational outcome.
