Qualification Description

This qualification allows for the attainment of competencies in leadership. This qualification was written for Defence officers, but may apply to any person required to provide leadership in difficult circumstances. The leadership context will vary depending on the occupational groups; these occupational outcomes are not reflected in the qualification.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Nil

Packaging Rules

14 units of competency are required for this qualification:

- **4 core units**
- **10 elective units**

Choose a minimum of **6 elective units** from the list below.

Choose the remaining **4 elective units** from the list below or from elsewhere within this training package, or from another endorsed training package, or from an accredited course.

All elective units selected from outside this qualification must reflect the occupational and learning outcomes of this AQF qualification level.

Elective units selected must not duplicate content already covered by other units in this qualification.
