Assessment Requirements for DEFCHP007 Assist personnel with Moral Injury through Pastoral Narrative Disclosure (PND)

Release: 1

Assessment Requirements for DEFCHP007 Assist personnel with Moral Injury through Pastoral Narrative Disclosure (PND)

Modification History

Release 1. This is the first release of this unit of competency in the DEF Defence Training Package.

Performance Evidence

Evidence required to demonstrate competence in this unit must be relevant to and satisfy all of the requirements of the elements and performance criteria on at least one occasion and include:

- adhering to faith standards, organisational policies and procedures
- analysing and evaluating information
- analysing complex personal issues
- applying active listening skills
- applying counselling skills
- creating a pastoral care plan
- documenting and recording the intervention
- maintaining records in accordance with organisational policy
- planning Moral Injury support
- selecting language style suitable to the individual and context for the purpose of establishing rapport, maintaining and developing relationships
- summarising and clarifying ideas
- supporting members of other faiths
- using a variety of verbal and non-verbal communication techniques, including body language, language style and gestures.

Knowledge Evidence

Evidence required to demonstrate competence in this unit must be relevant to and satisfy all of the requirements of the elements and performance criteria and include knowledge of:

- biological, psychological, social and spiritual wellbeing
- building resilience factors that impact spiritual wellbeing
- moral injury causes and risks to others
- moral injury definition
- moral injury manual
- pastoral care requirements
- Pastoral Narrative Disclosure (PND) stages:
 - rapport

- reflection
- review
- reconstruction
- restoration
- ritual
- renewal
- reconnection and referral
- privacy
- record management in accordance with organisational policy
- relevant key support personnel, including health care professionals
- relevant legislation, organisational policies and procedures
- relevant mobile applications (apps) used in individual support.

Assessment Conditions

Assessors must hold credentials specified within the Standards for Registered Training Organisations current at the time of assessment.

Assessment must satisfy the Principles of Assessment and Rules of Evidence and all regulatory requirements included within the Standards for Registered Training Organisations current at the time of assessment.

Assessment must occur in workplace operational situations. Where this is not appropriate, assessment must occur in simulated workplace operational situations that reflect workplace conditions.

Assessment processes and techniques must be appropriate to the language, literacy and numeracy requirements of the work being performed and the needs of the candidate.

Resources for assessment must include access to:

- a range of relevant exercises, case studies and/or simulations
- acceptable means of simulation assessment
- applicable documentation, including workplace procedures, regulations, codes of practice and operation manuals
- relevant materials, tools, equipment and personal protective equipment (PPE) currently used in industry.
