DEFDPL015 Address complex legal and ethical issues in a Defence environment

Release: 1

DEFDPL015 Address complex legal and ethical issues in a Defence environment

Modification History

Release 1. This is the first release of this unit of competency in the DEF Defence Training Package.

Application

This unit describes the skills and knowledge required to effectively manage complex legal and ethical issues in a Defence environment. This unit applies to those working within a Defence legal environment, where they are required to manage complex legal and ethical issues.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work mostly independently whilst part of a team, performing routine and complex tasks. They would work with limited supervision, with identified approval authorities. They apply solutions to a variety of predictable and complex problems, in both familiar and unfamiliar contexts.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
